

POP 17 Passing the Magic Exam?!

I drew this cover page with a picture we could expect in the beginning of the end in my mind. This seemed to be a fitting layout that was never done before and I think it was pretty good. It was also offered in a form of a pencil board in the #1 Feb in 2004. There was a bunch of other merchandise, too!

In this episode, the way everyone fought around with the character class appears like the stage of *Avatar* Lollipop. And now we have a new character and new developments. I hope everyone will enjoy the new story as well.

POP 17 Passing the Magic Exam?!

That! We
wanted that!

Uh-oh.

Sum it further

Go it Rokka!

You won't get
the Crystal
Pearl!

You won't
be so lucky

broken
the other

in exchange
for the

Isn't it we say we'll protect you?

Sero...

That's great!

We did it!
